Imagine an environment where YOUR Megayacht is **CONTROLLED** entirely FROM YOUR iPad

T-SAT allows all video sources to be displayed on any monitor throughout the vessel

- Captain can move from the helm AND stay in control of the yacht
- T-SAT can be installed on an IMO compliant system keeping IMO compliancy intact.
- Total Control – Drag & Drop Capability to reposition your video selection on any monitor.
- For speed and total control, T-SAT includes a quick launch menu
- Manipulate all your functionality from within a smaller screen. Once you have viewed it, slide it away and view the next screen.
- Annotation – Choose a screen, add your message and send. It's that simple!

T-SAT powered by CRESTRON
